SIR,

I have the honour to submit herewith for favour of sanction of Government an estimate amounting to Rs 2304/- for sinking a drinking water well in Nelamangala Town. The estimate has been received scrutinized by the Chief Engineer in Mysore in his letter No.7025 dated the 17th December 1925. The necessity for the work has been clearly made out in report No.142 dated the 6th instant received from the President, Nelamangala Municipal Council During the inspection of the Dewan on 29th July 1925 he was pleased to observe that, as the Municipality is able to undertake its share of the cost, the Government may not find it difficult to sanction a half of the cost as a grant-in-aid

In these circumstances, I request that you will be so good as to obtain early sanction of Government to the estimate and also for a grant-in-aid of a sum of Rs 1152/- from the State funds

The connected records are herewith submitted for perusal and kind return
